DAY TWO

Dead Horse State Park

From the prominence of Dead Horse Point, 2,000 feet above a gooseneck in the Colorado River, an ever-changing landscape unfurls. Immense vertical cliffs meet with canyons carved by ice, water, and wind creating a visual masterpiece. See first hand where the iconic scene from *Thelma and Louise* was filmed!

Canyonlands National Park Explore a wilderness of countless canyons and fantastically formed buttes carved by the Colorado River and its tributaries. Rivers divide the park into four districts: Island in the Sky, The Needles, The Maze, and the rivers themselves. These areas share a primitive desert atmosphere, but each offers different opportunities for sightseeing and adventure.

DAY THREE

Leave for Snowbird and travel through Rural Utah on Heritage Highway 89 and the Nebo Loop for the most scenic route!

*Approximately 7 hours

Or return back the way you came!
