# PRESIDENT'S WELCOME

### **WELCOME TO THE NEAFCS ANNUAL SESSION!**

t is with great pleasure that I welcome you to the 2021 NEAFCS Virtual Annual Session. This year, due to the pandemic, we learned to always be flexible and think outside the box. In late summer, the difficult decision was made to transition from an in person and virtual Annual Session to a fully virtual Annual Session. The Michigan Affiliate led by tri-liaisons Georgina Perry, Courtney Aldrich, and Terry Clark-Jones, along with the NEAFCS Board, and NEAFCS Staff, have displayed great flexibility in planning Annual Session, making sure that our professional development and networking are the best possible. The theme for Annual Session is "Great Depths, Greater Impact". We hope you take full advantage of the benefits, professionally and personally, to learn about programs in other states, gather new ideas, and explore tools to help you grow as an educator. I will miss the face to face networking and personal relationships that develop at Annual Session.

NEAFCS is your professional association and it is only as strong as the participation of its members. I encourage you to become involved by joining a committee and consider seeking a leadership position. NEAFCS needs your help to shape the future of our association. The mission for all our members has been to educate and recognize Extension professionals who impact the quality of life for individuals, families and communities across the country. If this is your first time attending or it has been a few years since you last attended Annual Session, I know you will soon feel a sense of pride being among the best in the country.

We know your time is valuable and hope you take advantage of all our wonderful virtual events at Annual Session. We hop you become energized and excited by the keynote speakers, concurrent sessions, Ignite sessions, Showcase of Excellence, and exhibits that will enhance your programming efforts. We hope you enjoy.

# VICE PRESIDENT FOR PROFESSIONAL **DEVELOPMENT WELCOME**

### **WELCOME TO OUR 2021 NEAFCS ANNUAL SESSION.**

**■**elcome to our 2021 NEAFCS Annual Session. Since switching to virtual we have worked to try to improve your experience from last year using your evaluations. We hope you find our virtual platform easy to use. Be sure to participate in networking opportunities as they will be different from last year. Notice the Exhibit Hall will be available every day. You will have the opportunity to view sessions later that you wanted to participate in but could only view one session at a time.

Michigan State University Extension from the Central Region took the lead to plan and work toward having an in-person conference. Working from home up until June of this year they planned our conference, including the In-Depth Sessions. We thank the Michigan State University affiliate co-liaisons Courtney Aldrich, Georgina Perry, and Teresa Clark-Jones and all the committee chairs and members for working together to bring us pre-conference sessions, In-Depth sessions, Opening General Session and more. We owe all a big thank-you for preserving through the difficult times.

"Great Depths, Greater Impacts" is our theme as we explore concurrent sessions, ignite sessions, Showcase of Excellence, in-depth sessions, networking, exhibitor forums, and preconference sessions. We hope you will:

- Increase your depths of virtual programming
- Increase the depths of your networks with colleagues
- Increase your depths of personal and professional commitment
- Explore tips and methods for greater impacts in both virtual and in-person programming.

NEAFCS is your professional association. You help make this association stronger, greater and better with your participation and involvement. I encourage you to become a member of

one of the subcommittees and to consider becoming involved through a higher leadership position. You can help make NEAFCS "greater."

The 2021 Annual Session provides many opportunities to learn about programming in other states, glean new ideas, add tools, and gain skills to help you expand your horizons. The conference has so much to offer with motivating speakers, opening session, concurrent sessions, Showcase of Excellence, exhibits, committee meetings and more. Don't forget to bid on the virtual silent auction. We know you will take advantage of your time gaining "great depths" and plans for "greater impacts".

# MICHIGAN STATE

September 8, 2021

Greetings, NEAFCS Annual Session attendees, and welcome to Michigan whether you join this year's event in person or attend virtually.

Michigan State University is proud to help host you this year in Grand Rapids, and I hope you take advantage of opportunities to get to know this vibrant community. MSU's engagement here includes partnerships with schools, businesses and the medical community in addition to service to local families through MSU Extension.

MSU has proudly served Michigan's residents through our Extension educators since 1907. Such engagement is part of our land-grant mission to apply the most current knowledge to the day's most pressing issues.

Following well over a year of challenges for all of us, I hope you leave this event recharged and inspired by engaging with your presenters and one another.

I congratulate you for your commitment to advancing your knowledge and skills through the association and by participating in this annual conference. Please continue to stay safe, and thank you for the vital work you do for your communities.

# MICHIGAN STATE | Extension

Dear NEAFCS Conference Attendees.

On behalf of Michigan State University Extension, I would like to welcome each of you to the 2021 National Extension Association of Family & Consumer Sciences. Our conference theme this year is Great Depths, Greater Impact. Sessions will explore sustainable living and tourism through cultural events, tourism, entrepreneurship, food and beverage production, finance and food safety.

It's an exciting time as we continue to grow and adapt, remaining always adaptable, motivated and responsive. Our organization is confronting a time of many changes, and we are meeting these changes during a time of larger nation-wide and global change. The world of Family & Consumer Sciences is an exciting area in which to work, and we will continue to meet and bring inspired people together in forums like this, to ensure our organization remains at the cutting edge. We're transforming the way we operate to continuously improve our ability to educate and recognize Extension professionals who impact the quality of life for individuals, families and communities. Our employees and partners have continued to meet the challenges of our field and to excel despite setbacks. We should all be very proud of where we are today and excited about where we are headed.

I would like to thank each of you for attending our conference and bringing your expertise to our gathering. You, as organization leaders, have the vision, the knowledge, the wherewithal and the experience to help us pave our way into the future. You are truly our greatest asset today and tomorrow, and we could not accomplish what we do without your support and leadership. Throughout this conference, I ask you to stay engaged, keep us proactive and help us shape the future of Extension.

### ROSALYNN C. BLISS MAYOR

October 2021

Welcome to Grand Rapids and the National Extension Association of Family and Consumer Sciences Annual Conference (NEAFCS), hosted by Michigan EAFCS via Michigan State University Extension. We are pleased to host this conference and we welcome you to our city. For those of you who are joining virtually, we hope that you will be able to visit our city sometime soon, as you'll find that Grand Rapids offers attractions for everyone, from arts and entertainment to an expansive parks system, as well as diverse food and drink options. We hope that you get a chance to explore our many offerings both downtown and throughout our vibrant neighborhoods.

If you're an art connoisseur, a walk downtown will take you by our Robert Indiana LOVE sculpture, and Alexander Calder's La Grande Vitesse (more commonly referred to as "The Calder") which is the first public work of art funded in part by the National Endowment of the Arts. Or if you need a break from the bustle of downtown, look no farther than one of our 74 City-owned parks, or take a stroll on a trail alongside the Grand River. And of course, as we are referred to as "Beer City USA," a trip to Grand Rapids would not be complete without a stop at one of our many breweries that are located downtown and throughout our neighborhoods.

And yet, this only comprises a sliver of what makes our city so great – it is the people who live and work here who have made us who we are today. We have been named the best city to raise a family and selected among the top U.S. destinations to visit. We also have been recognized among the best places to retire.

But don't take my word for it – check it out yourself. The creative energy of our city – with its wonderfully diverse culture, vibrant downtown and dynamic neighborhoods – will inspire you. You will not find another city that matches our amenities and beautiful community spirit. Add to that the West Michigan friendliness of those who live and work here, and you will feel right at home.

On behalf of my colleagues at City Hall and all those who call Grand Rapids home, we hope you enjoy our city and have a wonderful time here.

Sincerely.

Rosalynn Bliss

# **2021 PRESIDENT'S CHARITY**

# DEAR NEAFCS FRIENDS AND COLLEAGUES,

he President's Charity for 2021 is the NEAFCS Endowment. I'm encouraging each member to donate \$21 in 2021 to the NEAFCS Endowment. Donations of any amount will be accepted. Let's work together to create a lasting imprint on NEAFCS, support targeted projects, champion our profession and support the profession we believe in. I truly appreciate each contribution to the 2021 NEAFCS President's Charity.

Donations to the endowment are not spent. Instead, the endowment is an investment tool and the investment income is utilized for targeted projects. As we grow the endowment, more funding will be available for special projects.

Donations to the Endowment can be made online through the NEAFCS website, or can be mailed to the NEAFCS National Office directly. Checks should be made payable to NEAFCS Awards. Thank you in advance for your support!

# What Did The NEAFCS Endowment Support in 2021?

In 2021, the Endowment Committee launched the new Grants for Innovative Projects. The Endowment awarded 5 individuals, totaling \$10,000 in grants to support their innovative ideas that benefit NEAFCS and its members or promote the profession of Family and Consumer Sciences.

Interested in these grants? Submit your proposal prior to January 31st to be considered for a grant in 2022. More information can be found on the NEAFCS website.

NEAFCS

Let's work together to create a lasting imprint on NEAFCS, support targeted projects, champion our profession and support the profession we believe in.

### **Values Driven Leadership** and Working Towards a **Vision for Common Good**

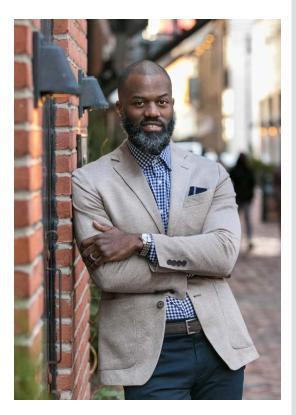

Presenter: Ritchie Harrison

Effective leaders not only need the skills to perform their jobs and navigate daily interactions, but they also must possess an awareness for the influence their actions can create for shaping an improved vision for the future. The workshop will help participants broaden their knowledge and understanding for the key leadership skills and values that can empower self and others.

For more than 14 years, the Great Lakes Leadership Academy (GLLA) has promoted positive change, economic vitality, and resource conservation to enhance the quality of life in Michigan by encouraging leadership for the common good. GLLA believes that great leaders are individuals who use their skills to improve organizations and communities

### **Learning Objectives:**

- Broaden knowledge and understanding for the key leadership skills and values that can empower self and others
- Learn effective strategies for working across differences

- Identify core values to create a greater sense of satisfaction
- Create synergy between values, vision, and impact
- Improve interactions in conversations and dialogue with others
- Increase feelings of inspiration, drive, and enthusiasm

### PRE-CONFERENCE WORKSHOPS, CONTINUED

### **Turning Points: A Narrative Approach** for Capturing, Writing and **Presenting Interesting Impact** Statement

### **Presenter: Jennifer Strauss**

For generations, the human brain has been hardwired for story. We think, learn and retain information in images that our brain translates into meaning. If you want to make a point, leave an impression, explain a process, or gain the support or stakeholders, storytelling is the most powerful tool. Three parts of the brain are activated by "story": knowledge, emotion, and imagination. By including Personal Narrative in your impact statements, you will achieve greater outcomes.

In this workshop, Narrative Consultant and Storyteller, Jenifer Strauss will share her Turning Points Narrative Process. Participants will not only understand the brain science behind "story", but they will also be given a model and framework for including personal narrative in impact statements.

### **Learning Objectives**

- Become familiar with the Turning Points Narrative Process
- Understand the brain science behind "story"
- Leave with a model and framework for including personal narrative in impact statements.

# OPENING GENERAL SESSION KEYNOTE Tuesday, November 2 | 3:15 PM - 5:30 PM

# **Sharpening Our DEI Lens for Personal, Institutional and Community Change**

by Dionardo Pizaña

Diversity, Equity and Inclusion Specialist, Michigan State University Extension

he excellence, relevance, strength and very survival of organizations in a richly diverse world requires a commitment by the organization and all its members to sharpen and sustain our collective commitments to diversity, equity and inclusion. These commitments must take place at the personal, interpersonal, institutional and cultural levels to help inform and transform our work, our outcomes and our relationships with self and others.

How do we honor and hold complexity and paradoxes? Work toward moving from transactional to authentic and connected relationships? Connect our resources with the assets and wisdom of our most marginalized communities? And help to address historical and current systemic inequities and build our legacies of shared power, equity and inclusion. Come along on this lifelong journey of personal and professional growth for we have important and lifegiving work to do.

### **Learning Objectives:**

- Work toward moving from transactional to authentic and connected relationships
- Learn to connect your resources with the assets and wisdom of our most marginalized communities
- Help to address historical and current systemic inequities and build our legacies of shared power, equity and inclusion

Contact email: argyris.magoulas@usda.gov Address: 1400 Independence Ave., SW,

Washington, DC 20250 Phone: 1-888/MPHotline

FSIS' Meat and Poultry Hotline helps prevent foodborne illness by answering questions about the preparation of meat, poultry, and egg products; how to safely handle food in the home; proper food storage; food safety during a power outage; FSIS recalls and more. The hotline is staffed by food safety experts who can personally answer food safety questions from callers ranging from novice cooks to experienced food handlers. Call the USDA Meat and Poultry Hotline toll free at 1-888-MPHotline (1-888-674-6854) or live chat at through Ask USDA. The Hotline is open year-round Monday through Friday from 10 a.m. to 6 p.m. ET (English or Spanish). The Hotline is also open on Thanksgiving Day from 8:00 a.m. to 2:00 p. m., Eastern Time, but closed on other Federal government holidays. Recorded food safety messages are available 24 hours a day. Send email questions to MPHotline@usda.gov.
