Position Statement

A. Why would you like to be a candidate for this office?

I have been a member of NEAFCS for 21 years. During this time, I have served in numerous leadership roles with my state affiliate, including being the Oklahoma Vice President of Awards and Recognition and enjoyed highlighting the accomplishments of our members across the state.

I have gained experience at the national level, over the past five years, judging different national award categories. This opportunity intrigued me to want to get more involved. Therefore, I have been on the National Awards and Recognition Awards Ceremony Sub-Committee for almost six years. Last year, I was the NEAFCS Awards Ceremony Sub-Committee Chair. This was also the first year we were able to have the Regional/National ceremonies in-person. It was an interesting time to serve in this role, after not having

in-person award ceremonies due to COVID. This experience allowed more creativity and communication across the states with my committee members. I enjoyed working with my committee members and want to use my expertise as NEAFCS Vice President of Awards and Recognition. The office would allow me to gain more knowledge about NEAFCS and would expand my leadership experience.

As the NEAFCS Vice President of Awards and Recognition, I would work closely with the three subcommittees (Awards Ceremony, Training and Sponsorship). I have experienced that behind-the-scenes activities and know without teamwork, there wouldn't be awards ceremonies at the national meetings. I enjoy working with awards ceremony committee members across the nation preparing for the national meeting and celebrating the members' accomplishments.

B. If you were elected, what would be your top priority/goal for your term?

I would like to encourage each state to promote and inspire members to apply for national awards. I realize that our members aren't used to "tooting their own horn". I plan to work with the three subcommittees (Awards Ceremony, Training and Sponsorship) to increase the number of award applications by state affiliate members. One of my first goals would be to work closely with these subcommittees to determine the barriers that keep members from applying for awards. After determining some of these, I would work with subcommittees to develop a plan to overcome them. Then in return, it is my hope that every state affiliate has more award applications submitted in the future.

Are you willing to be considered as a candidate for a different office? The national nominating committee chair would contact you first as to your preference and willingness to serve in any other position. Yes No Maybe

Are you willing to leave your application on file for three (3) years in the event of a position vacancy or for reconsideration for office for the next election? Yes No

Your signature below confirms that you have read the current NEAFCS Policy Manual and agree to the duties and qualifications for the position in which you are applying for as well as additional policies outlined in the Manual.

Dear NEAFCS National Nominating Committee:

I am very pleased to write this letter of support for Donna Stangl-Jung's application for NEAFCS Vice President of Awards and Recognition. Donna is an experienced FCS/4-H Extension Educator whose service to the profession has been recognized through numerous national, regional, and state awards. Donna has a long record of leadership in FCS organizations within the state at District and State levels. In addition, she has served in leadership of a sub-committee of the NEAFCS Awards and Recognition Committee, preparing her very well for this role.

Donna's application documents that not only is she a good citizen within Extension, including service as a mentor to new educators, she is also active in her local community. She is a graduate of city and county leadership programs. The list of awards that she has won for Extension programs, projects, communications is long. The goals that Donna has specified if she were selected for the position demonstrate her positive and supportive nature and her commitment to teamwork.

I enthusiastically support Donna's application for this office and look forward to seeing her achievements as Vice President of Awards and Recognition.

Sincerely,

Dear members of the selection committee,

I recommend Donna Jung for the National Extension Association of Family and Consumer Sciences (NEAFCS) Vice President of Awards and Recognition. Donna has dedicated her career to Extension and has gained the experience needed to serve in this role.

Donna has extensive experience in Extension. She has worked in Canadian County as the FCS educator for over 20 years. During her time, she had provided a variety of programs of interest to her community; some have been grant funded. I am certain that Donna can promote opportunities and accurately evaluate awards applications based on her real-life experience.

Donna has established a reputation in both the Oklahoma Extension Association of Family and Consumer Sciences (OEAFCs) and NEAFCS. Starting as a young educator, Donna has served in a variety of roles at the state level, from serving as a member of the nominating committee to the treasurer of OEAFCs. At the national level, she has served mainly through committee work related to awards and recognition. These OEAFCs state and NEAFCS national experiences demonstrate willingness to serve.

Donna will honor the accomplishments of others. FCS educators across the U.S. are engaged in impactful work. Awards can help raise awareness about efforts on the national level to other educators, at the state level to their universities, and at the local level to stakeholders. Given Donna's education, job experience, and leadership in professional organizations, she will most definitely fulfill the duties of the office.

In short, I am in full support of Donna's application for the National Extension Association of Family and Consumer Sciences (NEAFCS) Vice President of Awards and Recognition.

Thank you,

National Extension Association of Family and Consumer Sciences
Nominating Committee – Vice President of Awards and Recognition

Dear Nominating Committee:

I am honored to nominate Donna Jung for the office of NEAFCS Vice President of Awards and Recognition. Donna and I have known and worked with each other over the past twenty years. We started Oklahoma State University Extension Service within a month of each other and were friends before this, both being Registered Dietitians. Donna and I both served as Family and Consumer Sciences Educators in neighboring counties, where we worked together to do programming. This was a great partnership because we were able to conduct larger programs and reached a more diverse audience.

Donna and I have worked together on numerous committees within Extension over the years. We have both served together as committee members and officers with Oklahoma Extension Association Family Consumer Sciences (OEAFCS), Directors for the CE-FCS Ambassadors, along with being a part of the Oklahoma Food, Nutrition Health Impact Team, and OSU Extension Service mentor program. Donna is a very responsible and dedicated person. She delivers quality in her work and makes sure she completes all of her commitments to the best of her ability.

Donna is dedicated to Extension and her professional organizations. I encourage you to consider her application for candidate for the Vice President of Awards and Recognition.

Sincerely,

A handwritten signature in black ink that reads 'LaDonna Hines'.
