What accomplishments/progress has your Affiliate made in the past year? (Consider member resources, awards and recognition, public affairs, etc.)

One of our members had an article published in the Journal of NEAFCS for 2018.

What are your Affiliate's goals for the next 12 months?

To meet at least once this year to discuss programming and NEAFCS opportunities.

To have members submit award applications and articles to the NEAFCS journal.

To have at least one member attend the NEAFCS annual conference.

What challenges do Cooperative Extension and/or Family & Consumer Sciences pose in your state?

We are in a transition period as the University of Nevada Cooperative Extension (UNCE) hired a new Director of Extension in 2018 and we are now in the College of Agriculture, Biotechnology and Natural Resources (CABNR). UNCE is looking at structural reorganization and changing some of the roles and responsibilities of faculty and staff.

We have a very limited number of individuals whose work is focused on general Family and Consumer Sciences. Most of our members (there are only 7 of us) are either specialists in areas such as Early Childhood or Health and Nutrition or Extension Educators that have positions that encompass multiple disciplines (4-H, FCS, Other).

To assist NEAFCS in future planning and communication, please list concerns your Affiliate has for the NEAFCS Board to address:
