- 3 agents were recognized for completing their Masters degrees.
- 5 agents were recognized for title promotions.
- The VP of Public Affairs Committee developed an NEAFCS Impact Report. The report can be found at https://docs.google.com/document/d/16L_E-bWPPVLK584jwrhfMNJR5sl_VQUG/edit
- North Carolina was well represented at JCEP conferences, both ELC and PILD in 2025. Our President Elect and VP Public Affairs attended PILD, and our President Elect and President attended ELC. They were excited to be able to attend in-person and meet those from other states. They found both conferences very valuable for leadership development.

What are your Affiliate's goals for the next 12 months?

Support newly hired FCS agents and encourage them to become active members in our association. Assist members in finding diverse Extension curricula to strengthen FCS programming.

What challenges do Cooperative Extension and/or Family & Consumer Sciences face in your state?

Statewide we have a goal to improve employee retention, growth and development, expand FCS Extension awareness and utilization, and improve its impact. These goals were made priorities in our strategic plan for 2030.
