What accomplishments and/or progress has your Affiliate made in the past year? (Consider member resources, awards and recognition, public affairs, etc.)

Ann Hamilton received the 1st place Eastern Region Food Safety Award and 3rd place National Food Safety Award

We aren't progressing -- we are experiencing a decline in membership due to layoffs and retirements.

What are your Affiliate's goals for the next 12 months?

Build Membership and stress the importance of the field of FCS.

What challenges do Cooperative Extension and/or Family & Consumer Sciences face in your state?

Funding challenges with the cuts to SNAP-ED. The University of New Hampshire is also challenged with lack of adequate funding from the NH State Legislature/Senate. Many of you may or may not know that NH ranks last in the Nation to funding to the University Land Grant System. Even if they appropriated 25% more funds, they would still be last in the nation. The concern is that there have been layoffs in Extension based on the funding cuts made this year by the state and more will occur in the 2nd year of the biennium (2027).
