What accomplishments/progress has your Affiliate made in the past year? (Consider member resources, awards and recognition, public affairs, etc.)

Three national members and their teams received regional and a national awards. A few members also had impact statements accepted. Affiliate members were able to attend Annual Session and PILD.

What are your Affiliate's goals for the next 12 months?

Ensuring new members feel welcomed and are supported in engaging in the association's professional development opportunities. Caring for the major transition in our program occurring this year with loss of SNAP-Ed. Supporting members in attending NEAFCS, PILD and JCEP. We have approved additional funds that will better support members in attending these conferences.

What challenges do Cooperative Extension and/or Family & Consumer Sciences face in your state?

The loss of SNAP-Ed was significant to Oregon, with loss of not just funding, but staff. We are adjusting to a new regional model of work, with less capacity and resources than previously. Understandably, our affiliate membership is smaller this year.
