

Calling All Members! Get in the Spotlight!

Kate Shumaker (OH), Secretary

Have you noticed the Member Spotlight videos in past issues of the NEAFCS Network? You could be the next one featured! Tell us what NEAFCS means to you!

If you are willing to complete a short video, please sign up on this [Sign Up Genius link](#) which provides opportunities from now until October 2021. Once someone signs up, they will be emailed details about recording and submitting their video. The date listed is the date the member videos are due.

Your short (1 minute or less) video should reflect on one of the following questions/statements:

- 1) What has NEAFCS done for your career?
- 2) My favorite benefit of my NEAFCS membership is...
- 3) This is what NEAFCS means to me...
- 4) How have you used resources/information from NEAFCS webinars or Annual Conference?

If you have questions, contact me at shumaker.68@osu.edu or 330-600-6039.
