

**Sweet Treats and Memories from Three States/Three Regions**  
*Debby Mathews, (AL) 85th Anniversary Chairman*

As North Dakota, Pennsylvania, and Tennessee recognized our milestone 85th anniversary, they displayed individual style. North Dakota made use of Facebook. Pennsylvania made use of historic resources provided by their very own Jan Scholl and shared about NEAFCS at their state JCEP meeting. Tennessee had not one, but three regional celebrations **and** a state celebration. Once again, we see that our affiliates reflect the marvelous diversity of our nation. Here are excerpts from their reports.

How did your affiliate celebrate the 85th?

The affiliate celebrated the 85th anniversary by sharing information during the Penn State Extension JCEP Annual Awards Banquet and Auction held in State College, PA on November 18, 2019. The state president-elect gave a brief overview of the organization and an announcement about the anniversary was placed in the event program. The Pennsylvania affiliate provided a cake decorated to celebrate the anniversary and offered dessert to all that attended the banquet.

During our state affiliate meeting members shared archived photos, brochures, and other memorabilia for county offices from past events and programs over the years.

We have three Extension regions in Tennessee and each region recognized the NEAFCS 85th Anniversary.

We plan to have party hats and make it a fun PARTY for the region association members! And one Western Region member reported personally committed to exercising for 85 consecutive days in a row.

**Central Region** – We had 85 blue, white, and silver balloons to commemorate the 85th anniversary and we kept them in the air for 85 consecutive seconds as an active break during the Central Region FCS Planning Day. We also shared Facebook posts on our page and Tweeted about the NEAFCS 85th Anniversary.
