Be aware that last-minute cancellations have financial ramifications for the association, so please try to make any changes as early as possible – no later than 4 weeks ahead if possible. When our block has sold out and attendees are holding additional rooms, this will require other attendees to book outside our room block at a higher rate. When attendees cancel their additional rooms that they were “holding”, this now opens up a room in our block that the association is held liable to fill or will incur attrition fees.

#### Online Reservations

A dedicated booking website has been created so attendees can make, modify and cancel their hotel reservations online, as well as take advantage of any room upgrades, amenities or other services offered by the hotel. Book your reservation online here - <https://book.passkey.com/e/50171164>

#### Phone Reservations

To make your reservation by phone call (800) 253-3590 and reference the National Extension Association of Family & Consumer Sciences to receive the group discounted rate.

#### Deposit/Cancellation

All reservations require a one-night's deposit including tax. Deposits are refundable if notice of cancellation is received by hotel 48 hours prior to expected arrival date.
