

Spread the Word! Impacts, PILD, Living Well

Mary Liz Wright (IL), Vice President of Public Affairs

- We just wrapped up Living Well Month promotions. I hope you have had a chance to [view the videos](#) the Advocacy Committee created under the direction of chair, Vincent Webb. They are wonderful—Living Well in living color!
- Déjà vu—here we go again. PILD was virtual for the second time and again we are asking you to please share [the impact statements](#) with your own legislators. It is so important that we all make the effort to share our stories! The impact you all submitted was amazing! We know we do good work, please take that next step and tell the decision makers how you improve people’s lives with our programming.
- Thank you to our impact statement editors: Julie Buck (ID), Karen Ensle (Rutgers), Sonya McDaniel (OK), Rebecca Stackhouse (GA), Amy Ressler (TX), Daniel Remley (OH), Candace Tucker (GA), Alexis Roberts (GA), Carrie Vanderver (GA), and Glenda Hyde (OR).
- Many of you joined the virtual PILD. Once again, the planning committee offered us interesting and relevant conference. During the NEAFCS PILD attendee zoom meeting we shared our thoughts about the future of NEAFCS—stay tuned for a full report next month!

I hope you and your families are well.
Mary Liz Wright, VP of Public Affairs
