

Meet the Board

Michelle Wright (TX), NEAFCS Vice President for Member Resources

Greetings once again from the lone star state. As your Vice President for Member Resources, I am hoping that NEAFCS has given each of you numerous reasons to love the professional organization to which you belong. Most importantly, I am hoping that it has made an impact on you as an Extension professional. I know for a fact that I have received more than I have ever given over the years to NEAFCS.

When I took the oath of office two years ago, one of my goals was to foster opportunities in order to promote and share what fantastic member benefits NEAFCS had to offer to its membership. By doing this, I learned how many opportunities and member benefits were personally missed over the years. As my term ends shortly (September 2022), I want to encourage all members not to miss a single chance at taking advantage of all the wonderful "golden nuggets" this great organization has to offer for professional and personal growth. Do not let even one slip through your fingers.

I also want to challenge each of you by sharing what you have gained from NEAFCS with another Extension professional. Share the wealth! I know that this may seem very cliché, but we are truly stronger together than apart! Being a part of the NEAFCS family has truly brought me a great deal of joy. In my first "Meet the Board" article I mentioned how Extension had changed my life. I am truly excited to say that serving as your Vice President of Member Resources has also changed my life. It has been a game-changer, to say the least. The impact that it has made is unmeasurable. This office has allowed me to make so many new acquaintances and friends which will be treasured forever. Each of "YOU" made a difference in me and please continue to "MAKE" a difference in NEAFCS.

As your VP of Member Resources, know that your leadership and guidance in NEAFCS are truly appreciated and we can't do it without you! Looking forward to seeing you at Annual Session. If you have the time, I would be honored to visit! Take care and see you in Raleigh!
