

2024 Annual Session: Come early, stay late

*Hope Wilson (AZ), 2024 NEAFCS Annual Session Invitation,
Marketing and Promotion Subcommittee Chair*

As this year winds down and you begin planning for 2024, **save September 16-19 on your calendar for the NEAFCS Annual Session in Tucson, AZ** and include some extra time before and/or after to explore more of Tucson or other parts of Arizona.

The 2024 Annual Session will be held at the JW Marriott Tucson Starr Pass Resort & Spa, a beautiful oasis in the Sonoran Desert with views of Tucson Mountain Park. If you would like to add on to all the resort and spa has to offer, Tucson has many places to eat, play and visit such as Saguaro National Park, Sabino Canyon, Biosphere 2, Tucson Botanical Gardens, or Old Tucson just to name a few.

In September, the hot Sonoran Desert summers begin to cool, but if it is still too warm for you, there are many places near Tucson and southern Arizona where you can go to cool off, including Mt. Lemmon in the Santa Catalina Mountains just north of Tucson or travel southeast to the old mining town of Bisbee in the Mule Mountains or hike among hoodoo rock formations of Chiricahua National Monument. If you have more time, you might want to drive north to Sedona, Flagstaff or even the Grand Canyon.

We encourage you to come early, stay late or both and enjoy all Arizona has to offer "Under One Sky."
