

We NEED You!

National Award Judges

Are you interested in learning about AMAZING programs across the nation? Would you like to serve NEAFCS but not sure how? Volunteer to judge NEAFCS Awards and you can do both!!!

If you're like me, you have hosted programs that other people thought would be great to write an award for but doubted yourself, so you didn't.

For me one of the best ways to learn is by seeing examples and reviewing other people's work. You're in luck I have a great opportunity to for both. Volunteer to be a judge.

It's easy peasy. All awards are submitted online, and you will have a window of time to review them. All you do is log into the portal, open the awards, read them, make notes on the scoresheet then rank all in that category and submit. The judging will be April 1 – 15th.

Please sign up to judge here: <https://forms.gle/ieADFHtr9UEcnwb87>

**If you have questions, concerns, or comments about awards,
