

Celebrating Our Past and Future in NEAFCS

Melinda Daily (KS), Endowment Committee Member

As I look back through my years as an NEAFCS member, I remember Jean Clarkson-Frisbie, a past NEAFCS National President in 1999, promoting the NEAFCS Endowment everywhere she went. I don't recall anyone else promoting it as much in my state as Jean did. And with good reason -- **the endowment has great opportunities that provide scholarships and grants to our members as well as funding special projects.**

Now, think of your future in NEAFCS and how the endowment can work for you. First of all, this is our organization's 90th year. I can see our younger generation coming up with new and inventive programming in the future. **What better way to celebrate the 90th year with everyone donating \$90.00 to the endowment and then looking for opportunities to receive grants or scholarships through the endowment.**

Donations can be one-time, a two-year pledge, or monthly payments. You can also donate in honor or in memory of a colleague. Because of Jean Clarkson-Frisbie and her enthusiasm I will be donating in her memory.

Go to www.neafcs.org and click on About NEAFCS ➡ then Endowment ➡ and donate.

Thank you again for considering donating to the NEAFCS Endowment. Please help us Be NEAFCS Strong as we celebrate 90 amazing years!
