CREED

As an Extension educator, my prime concern is people. I believe it is my responsibility to give the best of my ability and develop myself to be an effective educator. I accept the opportunity to empower individuals, families, and communities to meet their needs and goals through a learning partnership. May I always be willing to accept the challenges of the changing times.

There shall be no barriers to full participation in this organization on the basis of race, color, gender, age, religion, national origin, disability, veteran status, or sexual orientation.
